FLASHBACK 79-80

Bob M. M. M. M. M.
June 1980

Yearbook 1979-80

Principal's Message

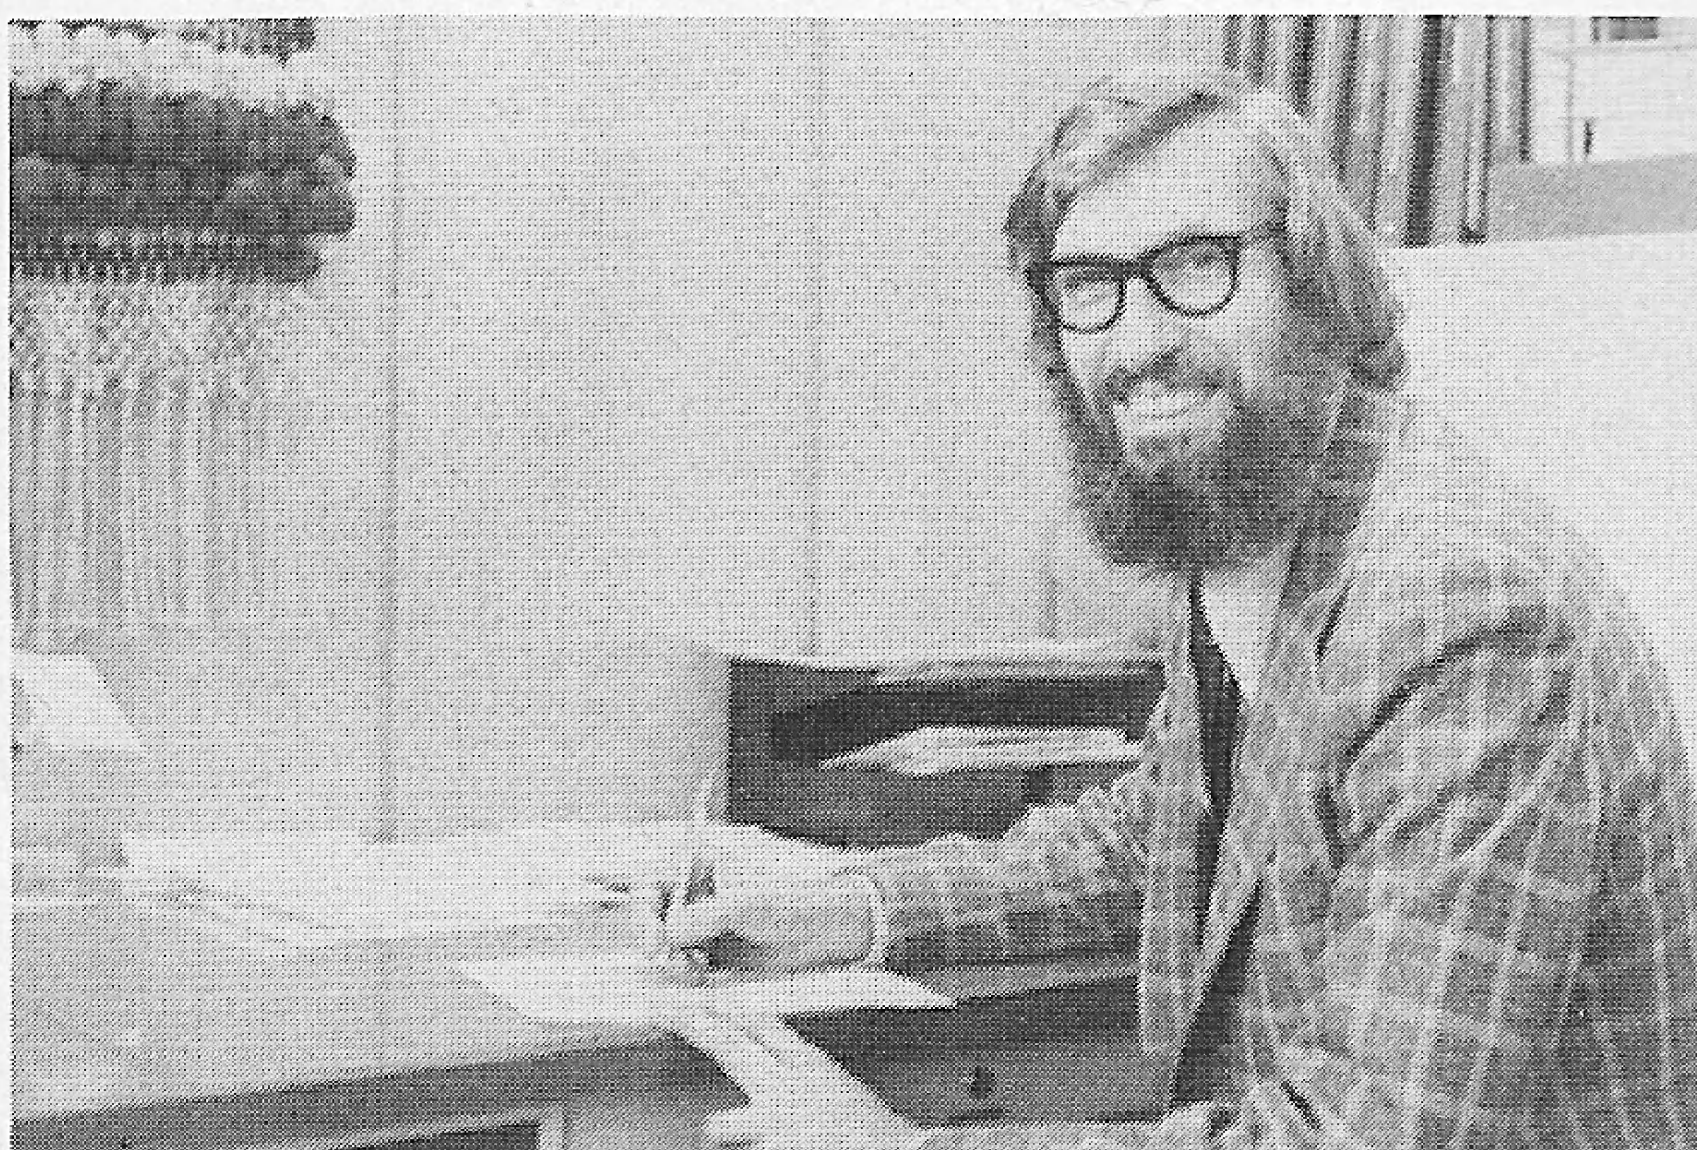

As I look at the population of this school and community I realize what a privilege it is to be able to associate daily with so many people from such a broad background. A recent survey has indicated that slightly over half of Oakdale students were born in 47 countries other than Canada as well as in 9 out of the 10 Canadian provinces. Thirty-three languages other than English are spoken in the homes.

We hope that these broad social contacts under the direction of a dedicated staff will help launch all students towards being productive, involved Canadian citizens with a great feeling of pride and self worth.

At this time I wish to thank Mr. Balmer and the Yearbook Staff for this fine pictorial record of the 1979-80 school year and to wish the best of futures to all students, particularly those who will be leaving Oakdale at the end of this year. I trust you will take pleasant and rewarding memories with you as you leave and I assure you your contribution to this school is appreciated.

I. J. Allen,
Principal.
